Paid internship at C4DLab

C4DLab is offering a 3-4 month paid internship for up to 20 students. If you are computer literate, good in communication, interested and available visit C4DLab in Chiromo before 5pm on Wednesday May 30th and talk to Charles Katua (0720650592) to give you an application form.

After applying, sign up for the ReadyToWork program on the website (https://readytowork.barclays/home) and complete the course. This will be part of the interview before candidates are selected. Successful candidates will receive Certificate of Recognition!
