

As you are aware, the current University of Nairobi Strategic Plan for 2013-2018 is set to expire in June, 2018. The Strategic Plan has served the University well, and we are now primed to develop another 5 year Strategic Plan.

As you are aware, the current University of Nairobi Strategic Plan for 2013-2018 is set to expire in June, 2018. The Strategic Plan has served the University well, and we are now primed to develop another 5 year Strategic Plan.

To this end therefore, I have constituted a team to develop the new Strategic Plan, for the same to be ready in the early part of 2018. The Strategic Plan Team is being coordinated by Prof. Timothy Waema, of the School of Computing and Informatics, with representation from all Colleges.

As part of its activities, the Strategic Plan Team, or its representatives, shall be visiting our colleges and other Units for data collection from Tuesday, November 14, 2017.

The purpose of this Circular is to introduce the team and to request our staff, students and stakeholders to accord them the necessary co-operation.

Thank you.

PETER M.F. MBITHI, PhD, EBS

VICE CHANCELLOR

AND

PROFESSOR OF VETERINARY SCIENCES

Cc Deputy Vice-Chancellors

College Principals

Prof. Timothy M. Waema
