This image shows a full page of graph paper. The grid consists of horizontal and vertical orange dashed lines forming squares. A solid black line runs vertically down the left side of the page, creating a margin. The rest of the page is filled with the dashed grid pattern.

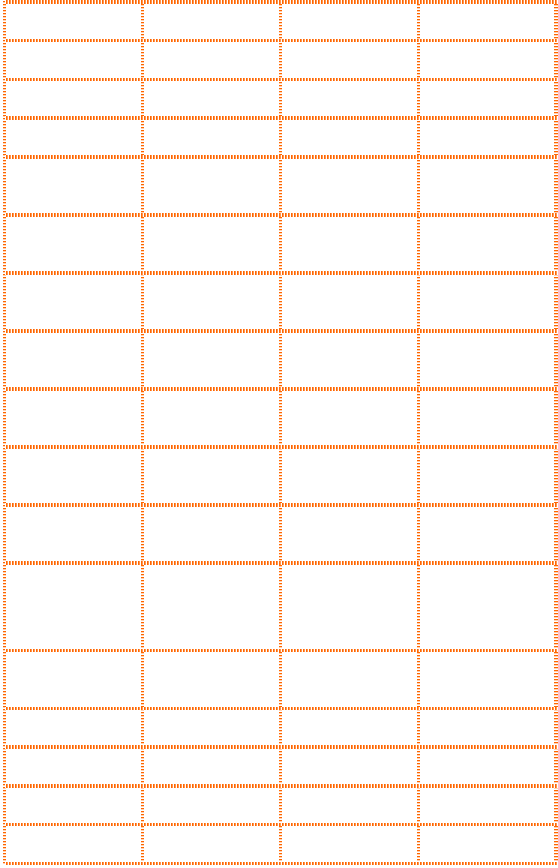

This image shows a full page of blank graph paper. The grid consists of thin, light blue horizontal and vertical lines that intersect to form small squares across the entire page. There are no margins, text, or other markings on the paper.
