**FOREIGN TRAVEL AND INTERNATIONAL MEETINGS**

As you may recall, the Government issued a travel advisory to all Kenyans to avoid non-essential travel to foreign countries for conferences/meetings.

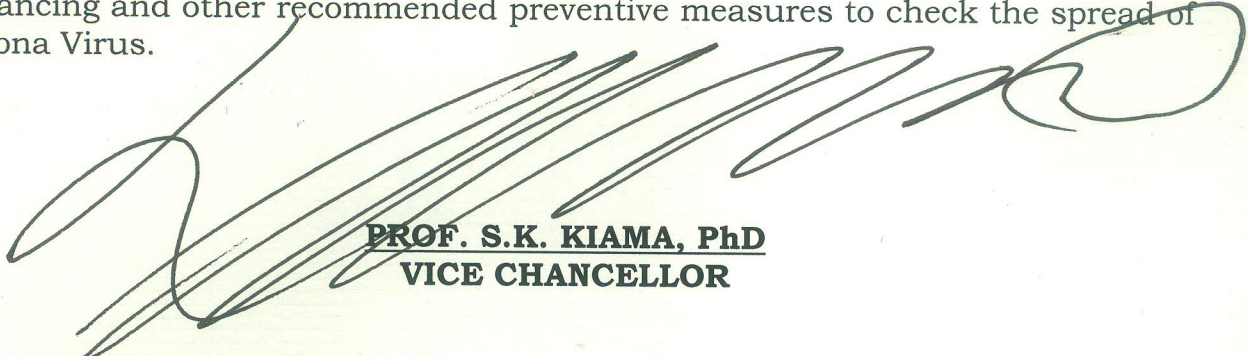

Further, the World Health Organization has classified COVID-19 as a Pandemic.

Consequently, take note that all foreign travel by university staff are suspended. Any recent approvals for staff travel have also been revoked forthwith.

Hosting of international conferences in the University has also been suspended until mid April, 2020.

The Vice Chancellor's Office will continue to monitor the situation and review the position after every 4 weeks.

Meanwhile, you are encouraged to observe public health etiquette, social distancing and other recommended preventive measures to check the spread of Corona Virus.
